FADS FADE, VERSATILITY STAYS

As we bid farewell to another year, we revisit three interior trends that have dawned on our homes and are here to stay!

STYLE & FEATURE **KAMAKSHEE TEWARI** PHOTOGRAPHS **TEJAS MAGADE**

SCANDINAVIAN ESCAPE

In the popular age of minimal decor, comes this black and white trend, heavily influenced by the Nordic construction. A play with rough edges and fine lines gives rise to this simple approach. Make this style your own, with delicate additions. Add a tall black-bordered mirror to create a statement. A dark green plant can create a subdued pop in this monochrome setting.
